SP6

MULTILANE STICKPACK

Distributed by Matrix, the SP6 is a VFFS Multilane Stickpack Machine, with Versatile Pouches Options, it can Easily Match Your Packaging Needs.

Equipped with an industrial PC, the touch screen and servomotorized activation, it allows controlling the basic parameters of the machine such as pressure, temperature, sealing time and length of the sachet, assuring high quality sealing.

The SP6 can operate with cadences of up to 70 cycles/min depending on the application.

Designed for medium to high production, it is ideal for dosing applications including liquids, pasty, granulated, powders and solids.
